

ISEH 2016, ISEG 2016 &
Geoinformatics 2016
Joint International Conference on
Environment, Health, GIS and Agriculture
Galway, Ireland, August 14 – 20, 2016

FINAL Call for Abstracts

Extended deadline:

March 31: ISEH 2016 & ISEG 2016; March 20: Geoinformatics 2016
(Abstracts submitted by March 12 are currently under review)

ISEH 2016: The 3rd International Symposium on Environment and Health
ISEG 2016: The 10th International Symposium on Environmental Geochemistry
Geoinformatics 2016: The 24th International Conference on Geoinformatics

Visit the conference website and submit your abstracts:

<https://cpgis.org/Conferences/ConferenceDefault.aspx?ID=71>

Reduced registration rate available for the following members:

1. Delegate of previous ISEH conferences: either [SESEH 2012 \(Galway\)](#) or [ISEH 2014 \(Beijing\)](#);
2. Current member of [CPGIS \(cpgis.org\)](#) (membership must be valid for 2016);
3. Current member of [SEGH \(www.segh.net\)](#) (membership must be valid for 2016);
4. Current member of [IAGC \(www.iagc-society.org\)](#) (membership must be valid for 2016);
5. Current member of [IMGAs \(www.medicalgeology.org\)](#) (membership must be valid for 2016);
6. Current member of [AAG \(www.appliedgeochemists.org\)](#) (membership must be valid for 2016).

Dear Colleague,

You are welcome to submit an abstract to ISEH 2016, ISEG 2016 & Geoinformatics 2016 conference, to be held at **National University of Ireland (NUI), Galway, Ireland, during August 14 - 20, 2016.**

The joint international conference of ISEH 2016 (The 3rd International Symposium on Environment and Health), ISEG 2016 (The 10th International Symposium on Environmental Geochemistry) 2016 and Geoinformatics 2016 (The 24th International Conference on Geoinformatics) provides a historical opportunity for international experts working in several closely related areas of **environment, health, geographical information system (GIS) and agriculture**, to meet and share the latest understanding of the ever growing challenges between human and our changing environment.

- ISEH is an internationally leading conference series in Environment and Health held once every two years.
- ISEG is an internationally leading symposium on environmental geochemistry held once every three years.
- Geoinformatics is the annual conference of the International Association of Chinese Professionals in Geographic Information Sciences (CPGIS).

The conference venue is the campus of NUI, Galway, within walking distance of Galway's city centre. Galway is a popular tourist destination, and ranked No. 1 friendliest city in the world in a recent survey. Ireland is ranked No. 1 in the good country list, and Ireland is named as a best travel destination.
